¡GRACIAS Y ABRAZO GENERAL!

Antes de que termine el año saldrá otro libro de Silvio. Se titulará Silvio José Enamorado. Por lo demás, tendrá el mismo editor (Astiberri) y mismo número de páginas (100, 97 historias) que los anteriores.

Sobre el futuro de Silvio como personaje solo puedo decir que ahora mismo no tengo planes de volver a dibujarlo más allá de lo que acabo de contar.
No sé si será algo definitivo, pero después de nueve años dibujando la serie este parece un buen momento para olvidarme un poco de la rutina y explorar otros rinconcitos de mi cabeza.

Er, bueno, o al menos barrer los mismos rinconcitos de otra manera.
